Counsel having submitted letters concerning disputes over the proposed psychiatric examination of plaintiff, it is hereby ORDERED that plaintiff appear for the first session of her examination on July 29, 2013, at 9:30 a.m. and for the second session on August 1, 2013. The letter of defendants' counsel dated July 24, 2013 (the "July 24 Letter"), sets forth the methodology that will be followed. The requests of plaintiff to limit the time of the examination to two hours, to limit the scope to plaintiff's claimed emotional injury in this action, to require disclosure now of the psychiatrist's curriculum vitae, to require disclosure of the psychiatrist's report within one week of the examination, and to allow the plaintiff to be accompanied at the examination by a registered nurse are all denied for the reasons set forth in the

July 24 Letter.

SO ORDERED.
